Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Farm Business Improvement Scheme - Capital (FBIS-C)

Tier 1 (Tranche 3)

List of Eligible Items

Maximum amount of grant support payable per item

Pre-approvals

Please use the following links for information regarding regulatory pre-approvals for:

Incinerators – For information on approval to incinerate animal by-products refer to Annex G of the (FBIS-C) Tier 1 (Tranche 3) Explanatory Booklet and:

<https://www.daera-ni.gov.uk/publications/animal-products-applications>

Pesticide Application Equipment – For information on requirements for operators applying pesticides please refer to:

<https://www.daera-ni.gov.uk/sites/default/files/publications/dard/pesticide-spray-a4-flyer.pdf>

Fencing: For information on fencing specifications and installation guidelines see Annex E of the (FBIS-C) Tier 1 (Tranche 3) Explanatory Booklet.

Other considerations

Biosecurity units: For the Prefabricated Biosecurity Unit specification See Annex F of the (FBIS-C) Tier 1 (Tranche 3) Explanatory Booklet.

Tensioned covers for above ground slurry stores: See Annex H of the (FBIS-C) Tier 1 (Tranche 3) Explanatory Booklet for relevant information.

Low Emission Slurry Spreading Equipment (LESSE): See Annex I of the (FBIS-C) Tier 1 (Tranche 3) Explanatory Booklet for relevant information.

Ineligible expenditure

In all cases the following costs are not eligible expenditure:

- Installation costs (except fencing)
- Commissioning costs
- Warranties
- Consumables
- Running costs
- Site works
- Investments relating to non-agricultural/horticultural items
- Computer hardware such as PC, laptop, printer, etc
- Charges incurred in tendering
- Professional fees *
- Delivery costs
- Second hand equipment
- Interest charges
- Planning permissions
- Service and fuel supplies – electricity, water, oil, gas, etc.
- Training costs

The above list of ineligible expenditure is not exhaustive. Please refer to Annexes within the Explanatory Booklet for further details.

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

J. Environment, Weather Resistance and Climate Change

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
J10	Advanced fertiliser sower: to include full GPS system with tractor guidance system to include variable rate application, headland /border spreading capability.		1	2	20,540	8,215
J11	Fertiliser sower: capable of connecting to a GPS system with tractor guidance system to facilitate variable rate application, headland/border spreading capability.		1	2	6,090	2,435
J12	Tractor mounted seed drill: minimum width of 3 metres, (10ft) minimum 750kg hopper capacity, hydraulic or electro-hydraulic bout markers, metering system. Must be compatible with combined fertiliser drilling.		1	3	30,000	12,000
J13	Tractor mounted/trailed sprayer: boom width 15-18 metres, tank size 800-1500 litre model to include: hydraulic booms, in cab electronic control of each boom section & spray pressure. Certificate of competence required.		1	3	19,540	7,815
J14	Tractor mounted/trailed sprayer: boom width 21metres and over, 1000-1800 litre capacity to include: hydraulic booms, in cab electronic control of each boom section & spray pressure. Certificate of competence required.		1	3	26,990	10,795

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
J15	Rate controlled, tractor mounted/trailed sprayer: boom width 15-18 metres, tank size 800-1500 litre capacity, capability of connecting to GPS with tractor guidance system, hydraulic booms, in cab electronic control of each boom section and spray pressure. Certificate of competence required.		1	2	22,975	9,190
J16	Rate controlled, tractor mounted/trailed sprayer: boom width 21metres and over, tank 1000-1800 litre capacity, to include: capability of connecting to a GPS with tractor guidance system, hydraulic booms, in cab electronic control of each boom section and spray pressure. Certificate of competence required.		1	2	28,025	11,210
J17	Rate controlled & GPS tractor mounted/trailed sprayer: boom width 15-18 metres - tank size 800-1,600 litre capacity to include: full GPS with tractor guidance system, hydraulic booms, in cab electronic control of each boom section & spray pressure. Certificate of competence required.		1	2	27,700	11,080

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
J18	Tractor mounted/trailed rate controlled & GPS sprayer: boom width 21m & over and minimum tank size 1000L, full GPS with tractor guidance system, hydraulic booms, in cab electronic control of each boom section and spray pressure. Certificate of competence required.		1	2	30,000	12,000
J19	Global Positioning System (GPS) to include at minimum: GPS receiver, data logging software, mount and Real Time Kinematic (RTK) capability – NOT steer ready.		1	2	7,590	3,035
J20	Advanced Global Positioning System (GPS) to include at minimum: GPS receiver, data logging software, mount, auto steer and Real Time Kinematic (RTK) - steer ready.		1	2	16,375	6,550
J21	Compact fungicide applicator for potato/vegetable planter (Dust or liquid, 2 to 4 rows). Certificate of competence required.		1	2	4,600	1,840
J22	Table/grader fungicide applicator that also facilitates the application of growth inhibitors to include at minimum air treatment canopy for use with potato/vegetable crops. Certificate of competence required.		1	2	5,190	2,075

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
J23	1.83 metres (6ft deep roll) - curtain for automatic ventilation systems for livestock buildings (curtain and associated fixtures only). Grant support per metre. Must be purchased in conjunction with J25.		1	3	125	50
J24	2.44 metres (8ft deep roll) curtain for automatic ventilation systems for livestock buildings (curtain and associated fixtures only). Grant support per metre. Must be purchased in conjunction with J25.		1	3	165	65
J25	Automatic variable ventilation system in livestock buildings. To include a minimum of: electric drive motors, control panels and roof mounted weather stations with sensors. Must be purchased in conjunction with J23 and/or J24.		1	3	2,815	1,125
J26	2,000-4,999gal (9,090-22,725 L) capacity. Rainwater harvesting pre-fabricated covered system with filter and pump.	Tanks for purposes other than collecting and storing rain water.	1	2	5,990	2,395
J27	5,000-7,999gal (22,730 - 36,365L). Rainwater harvesting pre-fabricated covered system with filter and pump.	Tanks for purposes other than collecting and storing rain water.	1	2	8,075	3,230
J28	Over 8,000gal (36,370 L) capacity. Rainwater harvesting pre-fabricated	Tanks for purposes other than	1	2	9,565	3,825

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity (where applicable)	FBIS theme band	Ref Price £	Max Grant £
	covered system with filter and pump.	collecting and storing rain water				
J29	Slurry separator (can be a brushed screen or screw press system).	Slurry separators that produce green bedding.	1	3	30,000	12,000
J30	Robotic slurry scraping device (without ability to apply water or collect and store slurry).		1	1	13,165	5,265
J31	Robotic slurry scraping device (with the ability to apply water to the floor surface but does NOT collect and store slurry).		1	1	16,340	6,535
J32	Robotic slurry scraping device (with the ability to apply water to the floor surface and collect AND store slurry).		1	1	27,500	11,000
J33	One passage - automated slurry scraping system.		1	1	4,675	1,870
J34	Two passage - automated slurry scraping system.		1	1	7,300	2,920
J35	Three passage - automated slurry scraping system.		1	1	9,175	3,670
J36	Four passage - automated slurry scraping system.		1	1	11,375	4,550
J37	Slurry tanker (up to 2,000 gallon) - MUST be purchased in conjunction with an appropriate LESSE item. Refer to Annex I (FBIS-C) Tier 1 (Tranche 3) Explanatory Booklet.		1	1	12,500	5,000

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
J38	Slurry tanker (up to 2,000 gallons) with hill options (cranked axle and weight transfer system) - MUST be purchased in conjunction with an appropriate LESSE item. Refer to Annex I (FBIS-C) Tier 1 (Tranche 3) Explanatory Booklet.		1	1	14,235	5,690
J39	Slurry tanker (over 2,000 - up to 2500 gallons) - MUST be purchased in conjunction with an appropriate LESSE item. Refer to Annex I (FBIS-C) Tier 1 (Tranche 3) Explanatory Booklet.		1	1	14,235	5,690
J40	Slurry tanker (over 2,000 - up to 2500 gallons) with hill options (cranked axle and weight transfer system) - MUST be purchased in conjunction with an appropriate LESSE item. Refer to Annex I (FBIS-C) Tier 1 (Tranche 3) Explanatory Booklet.		1	1	15,050	6,020
J41	TANKER Mounted Dribble Bar (up to 7.5 m) slurry distribution system with a macerator fitted to a tanker or for use with an umbilical system. If not a new tanker, Engineer's Certification required.	Engineer's certificate if applicable.	1	1	9,425	3,770
J42	TANKER Mounted Dribble Bar (over 7.5 m and up to 10m) slurry distribution system with a macerator fitted to a tanker or for use with an umbilical system. If not a new tanker,	Engineer's certificate if applicable.	1	1	10,725	4,290

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
	Engineer's Certification required.					
J43	TANKER Mounted Dibble Bar (over 10 m) slurry distribution system with 1/2 macerator(s) fitted to a tanker or for use with an umbilical system. If not a new tanker Engineer's Certification required.	Engineer's certificate if applicable.	1	1	14,950	5,980
J44	TRACTOR Mounted Dribble Bar (up to 7.5 m) slurry distribution system with a macerator for use with an umbilical system.		1	1	10,875	4,350
J45	TRACTOR Mounted Dribble Bar (over 7.5 m and up to 10 m) slurry distribution system with a macerator for use with an umbilical system.		1	1	11,350	4,540
J46	TRACTOR Mounted Dibble Bar (over 10m) slurry distribution system with 1/2 macerator(s) for use with an umbilical system.		1	1	14,940	5,975
J47	TANKER mounted Trailing Shoe (up to 7.5 m) slurry distribution system with a macerator fitted to a tanker or for use with an umbilical system. If not a new tanker, Engineer's Certification required.	Engineer's certificate if applicable.	1	1	12,400	4,960
J48	TANKER mounted Trailing shoe (over 7.5 m and up to 10m) slurry distribution system with a macerator fitted to a tanker or for use with an umbilical system. If not a new	Engineer's certificate if applicable.	1	1	15,765	6,305

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
	tanker, Engineer's Certification required.					
J49	TANKER mounted Trailing shoe (greater than 10m working width) slurry distribution system with a macerator fitted to a tanker or for use with an umbilical system. If not a new tanker, Engineer's Certification required.	Engineer's certificate if applicable.	1	1	17,250	6,900
J50	TRACTOR mounted Trailing Shoe (up to 7.5 m working width) slurry distribution system with a macerator for use with an umbilical system.		1	1	14,600	5,840
J51	TRACTOR mounted Trailing Shoe (greater than 7.5m working width) slurry distribution system with a macerator for use with an umbilical system.		1	1	17,650	7,060
J52	TANKER mounted shallow injector slurry application system with macerator fitted to tanker. If not a new tanker, Engineer's Certificate required.	Engineer's certificate if applicable.	1	1	22,165	8,865
J53	Umbilical hose of diameter up to 4 inches for use with trailing shoe/dribble bar or shallow injection slurry distribution system. Grant support per metre.		600	1	11.00	4.40
J54	Umbilical hose of diameter up to 5 inches for use with trailing shoe/dribble bar or shallow injection slurry distribution		600	1	13.50	5.40

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
	system. Grant support per metre.					
J55	High pressure centrifugal chopper pump to supply umbilical system using a trailing shoe/dribble bar or shallow injection slurry distribution system.	Slurry pump for outside mixing point (item L30).	1	1	7,250	2,900
J56	Umbilical hose reel system for use with trailing shoe/dribble bar or shallow injection slurry distribution system (Capacity to carry up to 800 metres 4 inch hose).		1	1	3,450	1,380
J57	Umbilical hose reel system for use with trailing shoe/dribble bar or shallow injection slurry distribution system (Capacity to carry more than 800 metres 4 inch hose).		1	1	5,125	2,050
J59	Slurry flow monitoring system to include RTK (Real Time Kinematic) and GPS capability.		1	1	8,340	3,335
J60	Tensioned cover for an above ground slurry store with a diameter up to 13.5m to include all associated fixtures and fitting. Grant support per square metre. Refer to Annex H (FBIS-C) Tier 1 (Tranche 3) Explanatory Booklet.	Floating covers, covers on stores constructed prior to 1st Dec 2003 or after 31 st Dec 2019.	15	1	178.41	71.36

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
J61	Tensioned cover for an above ground slurry store with a diameter of 13.5 - 20m to include all associated fixtures and fitting. Grant support per square metre. Refer to Annex H (FBIS-C) Tier 1 (Tranche 3) Explanatory Booklet.	Floating covers, covers on stores constructed prior to 1st Dec 2003 or after 31 st Dec 2019.	23	1	113.50	45.40
J62	Tensioned cover for an above ground slurry store with a diameter greater than 20m to include all associated fixtures and fitting. Grant support per square metre. Refer to Annex H (FBIS-C) Tier 1 (Tranche 3) Explanatory Booklet.	Floating covers, covers on stores constructed prior to 1st Dec 2003 or after 31 st Dec 2019.	30	1	84.17	33.67
J63	Additional works to strengthen a metal above ground store to include a metal ring. Grant support is per metre of ring where a cover is to be fitted. Refer to Annex H (FBIS-C) Tier 1 (Tranche 3) Explanatory Booklet.	Stores constructed prior to 1st Dec 2003 or after 31 st Dec 2019.	22	1	115.68	46.27
J64	Tractor mounted grass/soil aerator. (Up to 3 metres/10ft).		1	2	2,675	1,070
J65	Tractor mounted grass/soil aerator. (Over 3 metres/10ft).		1	2	4,790	1,915
J66	Trailed grass/soil aerator. (Minimum to be over 3 metres/10ft).		1	2	8,025	3,210
J67	Sub soiler (2 legs only).		1	2	5,150	2,060

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
J68	Sub soiler (more than 2 legs).		1	2	8,075	3,230
J69	Electronic cow heat detection system.		1	2	4,300	1,720
J70	Cow heat detection system collars / transponders /pedometers. Grant support per collar/transponder/ pedometer.	Electronic ear tags.	29	2	87.50	35.00
J71	In parlour feeders to include IT link with the capability to "feed to yield" Grant support per milking point.	Computer software package.	5	2	587.50	235.00
J72	1 station - Automated out of parlour feeding system to include IT link with the capability to "feed to yield".	Computer software package.	1	2	5,015	2,005
J73	2 stations - Automated out of parlour feeding system to include IT link with the capability to "feed to yield".	Computer software package.	1	2	8,225	3290
J74	(Band 2) 3 stations - Automated out of parlour feeding system to include IT link with the capability to "feed to yield".	Computer software package.	1	2	11,325	4,530
J75	(Band 2) 4 stations - Automated out of parlour feeding system to include IT link with the capability to "feed to yield".	Computer software package.	1	2	15,240	6,095
J76	Milk meter. Grant support per milking point		3	2	1,225	490
J77	1 station – Automated calf rearing system that identifies		1	2	6,640	2,655

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
	and feeds calves (milk and/or calf milk replacer)					
J78	2 stations - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer).		1	2	8,525	3,410
J79	3 stations - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer.)		1	2	11,912.5 0	4,765
J80	4 stations - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer).		1	2	15,400	6,160
J81	1 station and 1 animal feed dispenser (milk and feed) - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer and concentrate).		1	2	9,025	3,610
J82	2 stations and 2 animal feed dispensers - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer and concentrate).		1	2	10,325	4,130
J83	3 stations and 3 animal feed dispensers - Automated calf rearing system that identifies and feeds calves (milk and/or calf milk replacer and concentrate).		1	2	12,525	5,010
J84	Milk plate cooler system to include water storage tank with at least 220 gal/1,000 litres in capacity.		1	3	2,975	1,190

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
J85	Dairy unit heat exchanger. (Heat recovery capacity up to 88 gal/400 litres).		1	3	3,165	1,265
J86	Dairy unit heat exchanger (Heat recovery capacity over 88 gal/400 litres).		1	3	6,150	2,460
J87	Automated electronic cattle identification system allowing identification of individual animals.		1	2	12,212.50	4,885
J88	Cattle electronic identification collar/pedometers/transponders. Grant support per identifier.	Calf collars.	34	2	75	30
J89	Heat pads for pig farrowing and weaner accommodation. (Grant support per single space only).		17	3	150	60
J90	Circular multi-space - ad lib feeders for growing and finishing pigs (Wet and dry feeder versions).		8	3	350	140
J91	Single/multi-space - ad lib feeders for growing and finishing pigs. (Wet and dry feeder versions).		14	3	187.50	75
J92	Automation of ventilation for Throwbridge / Solari pen, to include at minimum: one controller, one motor, one sensor and 10 pulleys. Grant support per 10 pens.		2	3	2,175	870
J93	Ventilation fan to include rigid chimneys, inlets & inverter/controller		2	2	1,350	540
J94	Poultry canopy brooder. Grant support per 1,000 birds.	Incubators	14	2	187.50	75

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
J95	Pan feeding system for broilers. Grant support per metre.		67	2	37.50	15
J96	Auger/chain feeding system for layers. Grant support per 1,000 birds.		3	2	1,175	470
J97	Fan assisted radiators for connection to a hot water system (poultry house only).	Radiators for any use other than in poultry houses	1	2	3,040	1,215
J98	Horticultural transplanting machine.		1	2	30,000	12,000
J99	Tractor mounted seed drill for horticulture.	Drill for any use other than horticulture	1	3	23,625	9,450
J100	Plant potting machine.		1	3	28,240	11,295
J101	Shade and/or thermal screens for glasshouses & polytunnels. Grant support per square metre.	Plastic covers	459	2	5.45	2.18

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

K. Animal and Plant Health

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
K10	Rubber slat mat for livestock housing. Grant support per square metre.		50	2	50.00	20.00
K11	Solid rubber mats for hard surfaced areas in livestock houses. Grant support per square metre.	Mats for equines	67	3	37.50	15.00
K12	8 – 15.5 tonnes single chamber - vermin proof bulk feed bin .Galvanised or fibreglass.		1	4	2,690	1,075
K13	8 – 15.5 tonnes split chamber - vermin proof bulk feed bin. Galvanised or fibreglass.		1	4	3,790	1,515
K14	8 – 15.5 tonnes single chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.		1	4	5,665	2,265
K15	8 – 15.5 tonnes split chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.		1	4	6,800	2,720
K16	16 – 29.5 tonnes single chamber - vermin proof bulk feed bin. Galvanised or fibreglass.		1	4	4,150	1,660
K17	16 - 29.5 tonnes split chamber - vermin proof bulk feed bin. Galvanised or fibreglass.		1	4	5,950	2,380
K18	16 – 29.5 tonnes single chamber with auger/gantry -		1	4	6,140	2,455

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
	vermin proof bulk feed bin. Galvanised or fibreglass.					
K19	16 – 29.5 tonnes split chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.		1	4	7,575	3,030
K20	30 tonnes and over single chamber - vermin proof bulk feed bin. Galvanised or fibreglass.		1	4	5,140	2,055
K21	30 tonnes and over split chamber - vermin proof bulk feed bin. Galvanised or fibreglass.		1	4	7,000	2,800
K22	30 tonnes and over single chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.		1	4	7,900	3,160
K23	30 tonnes and over split chamber with auger/gantry - vermin proof bulk feed bin. Galvanised or fibreglass.		1	4	9,350	3,740
K24	Motorised roller shutter doors for vermin proofing of agricultural and horticultural buildings. Minimum width of door 3 metres to allow tractor access. Grant support per square metre.	Motorised roller shutter doors on machinery sheds and non agricultural/horticultural buildings.	32	3	79.03	31.61
K25	Automated vehicle disinfectant wheel spray system for biosecurity.		1	3	4,450	1,780

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
K26	Pre-fabricated biosecurity unit for animal and plant health. Grant support per square metre and available up to 26 square metres. Refer to Annex F (FBIS-C) Tier 1 (Tranche 3) Explanatory Booklet.	Canteen/ kitchen facilities, site preparation, ramps, access steps, connection to services.	4	2	800	320
K27	Water sanitising/filtration system for removing impurities/pathogens. Grant support per 10,000 litres daily throughput.		1	2	4,900	1,960
K28	Fibreglass/plastic - calf igloo to include pen and associated fixtures and fittings. Minimum capacity 6 calves.		2	4	1,450	580
K29	Fibreglass/plastic - calf igloo to include pen and associated fixtures and fittings. Minimum capacity 15 calves.		2	4	2,237.50	895
K30	Colostrum management system to include: refractometer, water bath capable of pasteurisation and thawing, filling machine, feeding device and refrigerated colostrum bank.		1	3	5,565	2,225
K31	Vehicle mounted straw chopper.		1	4	7,440	2,975
K32	Trailed straw chopper.		1	4	14,625	5,850
K33	Automatic feed passage push equipment.	Tractor mounted attachments.	1	3	5,450	2,180

Please note if your application is successful and any item requested is not subsequently purchased, a penalty may be applied to your claim and it may affect future applications to the scheme.

Item Code	Description of Eligible Items	Ineligible items	Minimum Purchase Quantity <i>(where applicable)</i>	FBIS theme band	Ref Price £	Max Grant £
K34	Robotic feed passage push equipment.		1	3	15,165	6,065
K35	Automated cattle foot dip with pumped flow and recirculation system.		1	3	4,400	1,760
K36	Automatic cluster remover. Grant support per milking point.		4	3	831.20	332.48
K37	Cow cubicles with associated fixtures and fittings.	Precast cubicle beds.	42	3	59.96	23.98
K38	Cow mattresses. Grant support per cow space.		26	3	98.11	39.24
K39	Cow cubicle mats (17-25mm). Grant support per cow space.		67	4	37.50	15.00
